

Office in the Cloud™

by Intermedia

Get your essential IT services from one provider—and get the freedom to focus.

Three reasons customers and partners choose Intermedia

For 60,000+ business customers and 5,000+ active partners, Intermedia's Office in the Cloud offers email, file collaboration tools and 20+ other essential IT services. They're secure, mobile and managed from a single control panel.

We're a one-stop shop for essential business applications, with just one bill and one source of support.

Control over all our services is centralized into a simple-yet-powerful control panel.

Worry-Free Experience™

Our expert migration, 24/7 support, and 99.999% SLA keep customers focused on business.

HostPilot® Control Panel

We offer an Office in the Cloud plan to meet every need. If you have more than 50 seats, make sure you ask about custom pricing.

Intermedia's Worry-Free Experience™

Customers and partners choose Intermedia because we allow them to outsource more of their IT burden. They take this time, money and energy and reinvest it in their business.

Worry-free reliability

Intermedia offers a 99.999% uptime service level agreement. This amounts to less than 26 seconds of downtime per month.

Worry-free support

Intermedia offers 24/7 admin support. We typically answer the phone in less than 60 seconds.

Worry-free onboarding and migration

Intermedia's expert Cloud Concierge™ team performs free setup and migration for hosted Exchange and many other services.
